

Joudrs Cup U17 2018

The venue will be held in **Svoboda Park**, the fields of SK JOUDRS Prague.

August 23 - 26, 2018

Tournament

We would like to continue with our tradition of U17 international tournament in Prague at the end of summer holidays.

Our tournament is open to teams of girls born in **2001 and later**. The maximum number of participants is **12** – in the past years we had teams from Italy, Netherlands, Germany/USA, Poland and even Canada.

The tournament system will be decided according to the number of the participating teams. At least **6 games** are guaranteed for each team. Each team will get a trophy and we will award also **the Best Pitcher** and **the Best Hitter** of the tournament.

The tournament starts on Thursday noon/afternoon and ends up on Sunday afternoon. You can arrive to Prague earlier if you want to, and have a practice at our fields, play a friendly game, go shopping, sightseeing, have fun in the swimming pool or the Prague ZOO etc.

We would like to make the tournament also a big friendship event and let the girls have fun. Therefore we arrange a **BBQ party on Saturday night** with music, games etc. Spending a Friday night out in the city center is also a great experience!

The tournament fee is **150 EUR** (one hundred-and-fifty euro) – which includes the game balls, umpires pay, trophies and Saturday BBQ. The tournament fee needs to be paid by the end of March 2018 and thus you book your spot at the tournament.

Accommodation

We try to do the tournament affordable for most of the teams travelling from big distances. Therefore the near-by gyms of the basic school Dolakova are ready to accommodate you **for FREE**. You only need to bring your sleeping bags and mats. The school building is inside the ball park, the capacity of the gyms is max. 7 teams.

The sanitary facilities including 12 showers are available in 3 dressrooms in the school building. There are six more dressrooms with showers available in our clubhouse.

If you don't want to use our gym for your free accommodation, you can stay in one of the several hotels in Prague 8. Just let me know and I will send you some recommendations.

The City of Prague

Prague, a historical crossroad where many Merchants, artists and scientists met in the Medieval Ages, is considered to be one of the most beautiful cities in Europe. As the capital of the Czech Republic, known as „Golden Prague“ and „The City of 100 Towers“, Prague is situated in the very heart of Europe and has an impressive history.

Here, nature and architects have created a work where the monuments of ten centuries – from rotunda up to modern buildings – combine to form a unique open-air gallery. The historical quarters in the centre (the proud panorama of Hradcany with Prague Castle, the symbol of Czech statehood, the Lesser Town, the Old Town, Charles Bridge, Josefov and the New Town) were included in 1993 in the UNESCO register of World Cultural Heritage for their unique character.

The city offers you a wide variety in culture and major sights, concerts, opera, theatres, museum, art galleries and exhibitions, as well as restaurants and shops.

The airport is situated 10 km from the centre of Prague, and the city can be reached by shuttle minibuses or by a taxi. Prague can also be reached by rail or road.
