- Flying into Tel Aviv (Ben Gurion Airport) often fits our schedule, but usually costs the traveler more money.

Accommodations – Outside of March 11-14:

- Depending on your length of stay and the Israeli destination of your choice, there are many options from Eilat, to Jerusalem, to Tel Aviv that fit most budgets.

Miscellaneous:

- The Ayelet International Games, features 1800 athletes, competing in 20 non-Olympic Sports. I know, our Women are in the Olympics...but we are in Ayelet 😊...
- Last year, we showcased 26 teams in the three divisions. Over 320 took part.
- We will do our best to place all players, not affiliated with teams. On the other side, we will try to help all teams, who are short a few players.
- With so many games on the schedule, most Adult Teams will be asked to volunteer one of their players as a base ump...for one or two non-playing games. A couple of Cadet Coaches would also be asked.
- There is no Coaches Technical Meeting. *All rules and schedules* will be sent out in plenty of time.

If you have any further questions, comments, or concerns, please let me know. I am happy to help...
