MEN'S FASTPITCH DEVELOPMENT PLAN TILL 2021

A meeting of the Men's Fastpitch Development Commission took place in New Zealand, in February, during the Challenge Cup competition.

During this meeting, a plan for men's fastpitch development until 2021 was prepared. The focus was on promotion and visibility of the sport – and it was determined that one key to success would be to hold a number of top men's fastpitch events.

Europe was one of the regions, to where some of the top events were allocated – e.g. Intercontinental Cup in 2018, and the World Championship in 2019.

Unofficial competitions

A good amount of softball tournaments for various categories is organized every year across Europe. There's a special section on the [ESF website](#) where all non-ESF tournaments can be shown and invitation can be published.

Use this opportunity to advertise your tournament, and to get teams from all over Europe to come to your special event.

We've heard from teeball and U-13 teams which are looking for a tournament to travel to. To have details about your tournament published on the website, contact Helena Novotna at hnovotna@europeansoftball.org
