

2019 Women's European Championship Schedule Released

From June 30 until July 6, the 21st Softball Women's European Championship will be held in Ostrava, Frydek Mistek (CZE), Rybnik and Zory (POL). This is the first time that a one-division event is being held in two different countries!

23 National Teams will battle to take home the title of European Champion 2019. A total of 113 games will be played in seven days, starting off in four groups for the round robin games.

"This time, the Championship will be more special than ever, we will name the European Champion and we will also send the top six teams to the Olympic Qualifier. Every single National Team has been working towards this opportunity. It will be more than exciting to follow this year's European Championship," said Gabriel Waage, president of Softball Europe.
